

Training Date	Course Title	Description	Delivery Method
5/3/2021 9am-12pm	Session 1 What is Gambling?	This live session will introduce the Council on Compulsive Gambling of Pennsylvania (CCGP), gambling certifications, and a group discussion about what gambling is.	Live – Virtual
On-demand	On-demand Module 1 Scope of Gambling	This on-demand module will provide an overview of several websites related to problem gambling, including DDAP’s and CCGP’s websites. Additionally, the scope of problem gambling across the United States and Pennsylvania will be reviewed.	On-demand
5/6/2021 9am-12pm	Session 2 Problem Gambling	This live session will discuss what problem gambling is, providing definitions, statistics, a comparison to problems with drug and alcohol, and the progression and factors of problem gambling. It will also provide information to assist a treatment provider with addressing the issue of problem gambling.	Live – Virtual
5/10/2021 9am-12pm	Session 3 Screenings and Assessments	This live session will review how screenings and assessments are conducted for problem gambling clients, how to apply the DSM-5, compare mental health and SUD, how to engage clients in discussion about problem gambling, treatment priorities, and the treatment planning interview.	Live – Virtual
On-demand	On-demand Module 2 Goal Planning	This on-demand module will begin the discussion on goal planning and mindfulness, which will be reviewed in Live Session 4.	On-demand
5/13/2021 9am-12pm	Session 4 Treatment Approaches	This live session will review goal planning and the structure of the treatment plan, including programs to augment treatment, such as motivational interviewing, contingency management, and medication.	Live – Virtual

5/17/2021 9am-12pm	Session 5 Populations	This live session will review how different populations are affected by problem gambling. Sports gambling and social gambling will also be discussed.	Live – Virtual
On-demand	On-demand Module 3 Program Identification	This on-demand module will build on the discussion from Live Session 5, Populations, and help treatment providers identify programs for their clients.	On-demand
5/20/2021 9am-12pm	Session 6 Criminality, Finances, and Suicide	This live session will discuss how problem gambling relates to the criminal justice field, as well as financial and asset management. Additionally, it will review co-occurring disorders and suicide prevention among clients with problem gambling.	Live – Virtual
5/24/2021 9am-12pm	Session 7 Ethics	This live session will discuss ethics as they relate to problem gambling treatment. The IGCCB Code of Ethics will be reviewed.	Live – Virtual
On-demand	On-demand Module 4 GA, Military	This on-demand module will discuss GA meetings and how problem gambling relates to clients who are or were in the military.	On-demand
5/27/2021 9am-12pm	Session 8 Outcomes and Next Steps	The final live session will provide a review of the previous live and on-demand sessions, as well as a review of the certification process.	Live – Virtual
